

**PR 10214      Conservatorship of Robert K. Launder**

Type of hearing:                      Petition for Order Confirming Sale of Real Property  
Petitioner:                              Arlinda Brook  
Attorney for Petitioner:              Michael Germain

On petition, judicial determination is necessary. The Court notes that an Inventory and Appraisal has not been filed, nor has a reappraisal for sale. The Court does not have an order waiving the requirement of the Inventory and Appraisal in its file, and the minute order from January 30, 2008 does not waive the requirement of the Inventory and Appraisal. The first account and report of the Conservator is long overdue, as is a report from the Court Investigator.
